On January 28, 1961, Pittsfield again honored one of its citizens in recognition of outstanding and faithful service to the interests of the Town when William B. Ely was named Citizen of the Year. Shown above are Mrs. Ely, Mr. Ely and Selectman Harvey Marston who presented the award at the Citizen of the Year dance at Greenleaf Auditorium.

A COMMUNICATION TO PITTSFIELD

December 21, 1960

Board of Selectmen
Town of Pittsfield
New Hampshire

Dear Sirs:

I am, this, day, sending to the Town Treasurer the sum of \$500 as my contribution to the Town of Pittsfield for Band Concerts for the year 1961. I make this contribution as a Memorial to my late father and mother, Mr. and Mrs. Nathaniel S. Drake, who were always very much interested in the Band Concerts.

I was very much pleased with the Band Concerts which took place in 1960, and I was especially glad that there were so many participants in the Band. I think it is a fine thing for Pittsfield, and it is a pleasure to me to be of some assistance in this very worthy undertaking.

Will you kindly report this contribution to the Town Meeting to be held next March?

Yours very truly,

J. FRANK DRAKE

The State of New Hampshire

TOWN WARRANT

To the Inhabitants of the Town of Pittsfield, in the County of Merrimack, in said State, qualified to vote in Town affairs:

You are hereby notified to meet at the Town Hall in said Pittsfield on Tuesday, the fourteenth of March next, at ten of the clock in the forenoon until six-thirty in the afternoon; and at Greenleaf Auditorium at seven-thirty o'clock in the evening, to act upon the following subjects:

1. To choose all necessary Town officers for the year ensuing.
 2. To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations of the same:
 1. Assistance for the Selectmen in appraisal of taxable property \$5,000.00
 2. Town Officers Salaries 7,000.00
 3. Town Officers Expenses 1,950.00
 4. Election and Registration Expenses 450.00
 5. Expenses for Town Hall and other buildings 2,000.00
 6. Municipal Court Expenses 600.00
 7. Employees Retirement and Social Security 1,000.00
 8. Police Department 4,000.00
 9. Fire Department 6,100.00
 10. Forest Fires 900.00
 11. Blister Rust Control and Care of Trees 1,700.00
 12. Insurance and Bonds 2,700.00
 13. Planning and Zoning 150.00
 14. Clearing Fire Trails 25.00
 15. Damages and Legal Expenses 50.00
 16. Civil Defense 200.00
 17. Health Department (District Nursing Association) 800.00
 18. Health Department (Concord Hospital) 500.00
- without recommendation by
Budget Committee

Total	\$113,143.34
-------	--------------

3. To see if the Town will vote to establish a Planning Board of five members with duties as set forth in Sections 1-15, Chapter 36, N. H. Revised Statutes Annotated, 1955, to make a study of the Town's development and report to the Town appropriate recommendations for the promotion and maintenance of the Town's best development. The Board shall consist of one Selectman and four other citizens appointed by the Selectmen, as provided in Chapter 36, N. H. Revised Statutes Annotated, 1955.
4. To see if the Town will vote to operate a municipal swimming pool at Clarke's Pond, so-called, under the supervision of the Recreation Commission which was authorized by vote of the Town and the 1957 Town Meeting, and autho-

rize the Selectmen to accept all money received from such operation, pay expenses incurred for such operation not exceeding the sum of fourteen hundred dollars (\$1,400.00) for the calendar year 1961, and direct the selectmen to keep an account of such receipts and expenditures, any balance of receipts over expenditures to be held available for the use of the Recreation Commission to operate the swimming pool in future years.

5. To see if the Town will vote to raise the sum of twenty five dollars (\$25.00) to be expended in cooperation with the New Hampshire Forestry and Recreation Commission for the opening and maintaining of trails and old roads for forest fire protection. The New Hampshire Forestry and Recreation Commission to provide a matching sum not in excess of \$25.00 for this purpose. Recommended by Budget Committee.
6. To see if the Town will vote to authorize the Selectmen to purchase a Sewer Cleaning Machine (Auger) at a cost not to exceed one thousand dollars (\$1,000.00) plus interest, and to authorize the Selectmen to borrow the money for such purpose to be paid in the calendar year of 1962. Recommended by the Budget Committee.
7. To see if the Town will raise and appropriate the sum of five hundred dollars (\$500.00) to be paid to the Concord Hospital to apply on the anticipated operating deficit of the Concord Hospital for the year 1961. Without recommendation by the Budget Committee.
8. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of 1961 taxes, the same to be paid from that year's levy.
9. To see if the Town will vote to accept the following Trust Funds:

Esther E. Ladd — Care of Levi Ladd lot	\$200.00
Lena S. Sargent — Care of Lydia A. Snow lot	200.00
Rose A. Heywood — Care of John B. Leduc lot	
Mt. Cavalry Cemetery	200.00

Ezra Aubertin — Care of Ezra Aubertin lot	
Mt. Calvary Cemetery	300.00
Florence C. James Estate — Care of Josiah S. James lot	
Floral Park Cemetery	250.00
Lida B. Dunlap Estate — Care of Pillsbury Hawkes lot	
Floral Park Cemetery	150.00
Eugene and Grace Laro — Care of Ella M. Norris lot	
Floral Park Cemetery	200.00

10. To see if the Town will vote to authorize the Selectmen to negotiate for sale and sell, at a price considered by them to be in the best interest of the Town, and execute and transfer a deed to the Town property both real and personal located on Joy Street in Pittsfield, otherwise known as the Pittsfield Shoe Factory. The deed thereto to be conditioned upon and limit the use of the said property for manufacturing purposes and no other. By petition.
11. To hear the report and recommendation of the committee to study the advisability of adopting the Town Manager's plan of government in Pittsfield which was appointed according to the vote of the Town at the 1960 Town Meeting and to see if the Town will vote to instruct the Selectmen to put the question of adopting the Town Manager's plan of government, as provided in Chapter 37 of the Revised Statutes Annotated before the Town Meeting in 1962.
12. To transact any other business which may legally come before said meeting.

Given under our hands and seal, this twenty third of February, in the year of our Lord, nineteen hundred and sixty one.

HARVEY A. MARSTON
LEONARD M. GREER
RICHARD C. FOSS
Selectmen of Pittsfield

SELECTMEN'S REPORT

The year 1960 has been one of continued progress and improvement for this community.

Through the generosity of Col. J. Frank Drake a considerable amount of work was done to preserve our elm trees and prolong their life. Dutch Elm disease is making serious progress among our elms, and only by constant care can we hope to preserve many of them beyond a few more years. Our sincere thanks are also due Col. Drake for again providing band concerts in 1960.

Many people were dismayed to see so many elm trees removed at the start of the Carroll Street reconstruction. However, since the project was completed, and the greatly improved street has been in use, it is generally felt that the improvement more than compensates for the loss of the trees. Since some of those trees were infected with Dutch Elm disease they would have had to come down anyway, in the near future, at considerable expense to the town.

The drainage work on Catamount Street was started late in the fall and it is expected that with the coming of spring this work will be quickly completed. The town owes former selectman, James McGrath, a debt of gratitude for spearheading the drive to get these two projects done by the State Public Works Department.

During the year the town shed was completed with siding, a roof, and floor in the salt storage portion of the building. We now have adequate storage for bulk salt and for town road equipment. The fire station also had a new roof put on this year.

After serious considerable investigation a used Hough Payloader was purchased, for use of the highway department which will make possible utilization of nearby sources of road building materials and aid in performing better service on our road maintenance work. Purchase of a suitable sidewalk plow presented a much more difficult problem. After investigating the various equipment available which is in use in surrounding communities, it was found that plowing sidewalks satisfactorily is a troublesome problem, wherever it is done. It seemed that the most satisfactory equipment would be a fairly heavy, but narrow gauge, crawler tractor. Since new equipment of this type costs much more than the available funds, a used

crawler tractor and plow was purchased. It is believed that this equipment will perform satisfactorily for several years at a minimum cost.

The road improvement project on Tilton Hill, which was begun in 1959 with TRA funds was completed and tarred this year. With the extensive drainage which was incorporated in this project, no further difficulty should occur in the area for many years.

A tarvia surface was put on the Berry Avenue extension completing a hard surfaced access road to the High School from the Berry Avenue area.

Discussions and meetings have been held with interested citizens and groups, regarding the advisability of having a Town Advisory and Planning Board, and the question will be submitted for a town's vote on the warrant of the 1961 Town Meeting.

The committee was appointed to study the advisability of adopting the Town Manager's plan of government for the Town and their report is to be rendered at the 1961 Town Meeting.

The following were appointed on this committee:

Frank Brewster, James McGrath, George Freese, John Varney, Steven Davis, Frederick Noyes, Gilbert Paige and Kurt Bleckman, Alternate.

Richard C. Foss was appointed as Selectman, in August, to replace Paul Giddis who resigned in April.

We would like to again remind the townspeople that there are many copies of the Pittsfield Town History by E. Harold Young, available at \$6.00 per copy from the selectmen or Town Treasurer. This is a very interesting and entertaining book which will afford many hours of enjoyable reading for young and old alike. During the past year more copies were sold to people from out of town, than to residents, and the total number sold to date indicates that there must be many bookshelves in town which do not have a copy on them. A great deal of time and money were contributed to make this history available, and it seems that nearly every family in town should find the book a worthwhile addition to their library. Copies will be mailed to anyone who is unable to get them otherwise.

Respectfully submitted,

HARVEY A. MARSTON

LEONARD M. GREER

RICHARD C. FOSS

PERAMBULATION OF CHICHESTER-PITTSFIELD TOWN LINE

November 30, 1960

Pursuant to notice and agreement, we, the undersigned Selectmen, met on above date for the purpose of perambulating said Town Line, and renewing the marks and bounds thereof, to wit:

1. Beginning at the northwest corner of Chichester and a southwest corner of Pittsfield on the Loudon Line at a stone bound, marked C-P-L and other marks, and an iron pipe (said bound being situated on a slight rise of ground in a growth of Norway pines, northwesterly from a large maple tree marked with an X.)

2. Thence, South 40 degrees and 45 minutes east, 19 rods to a flat stone bound marked X and being about 3 rods northwesterly from the end of a wall.

3. Thence continuing the same course, 70 rods from corner (bound 1) to a stone about two feet high, marked P-C and situated on a rise of ground.

4. Thence same course, 105 rods from corner to a stone bound 2 feet tall with rocks around same, marked P-C, 1909 and other dates.

5. Thence same course, 130 rods and 9 links from corner to an X marked on the south side of the corner rock in the corner of a stone wall.

6. Thence continuing the same course, by a wall and a wire fence, 230 rods from corner (bound 1) to a stone one foot high, marked C-P and located on the west side of a meadow.

7. Thence same course, 300 rods from corner to a small stone bound on the east side of said meadow and marked C-P. (Bounds 6 and 7 not found in the perambulation of 1945 because of high water, were located at this time and an iron pipe standing four feet high was driven at each bound.)

8. Thence continuing the same course, 390 rods from corner to an old Elm tree on the east side of the Gilmanton or Ingalls or Kaime Hill Road, so called, said tree marked X and P-C-L.

9. Thence same course, $466\frac{1}{2}$ rods from corner to a pile of rocks with a stone bound therein marked P-C, 1938; this bound is located about 40 feet southwest from the end of a stone wall said wall being on the Pittsfield side of the town line.

10. Thence same course, $626\frac{1}{2}$ rods from corner to a stone monument on the westerly side of the Concord-Pittsfield state road, Route 28. This monument had been removed from its original location during the course of road construction and is

to be replaced in a position on the line slightly removed from its previous location.

11. Thence by the same course, South 40 degrees 45' East, 819 rods and 6 links from corner bound (1) to a stone bound marked P-C-T-L, 1909, 1916 with an iron pipe driven near said bound and located about 10 paces southeasterly from the corner of a wire fence at a pine stump, formerly Guy C. Nichols land. This bound now nearly underneath a large blown down tree.

12. Thence same course, 891 rods from corner to a split stone and an iron pipe about 150 feet on the easterly side of a woods road in outover land formerly of Guy W. Cox, now of William S. Freese.

13. Thence same course, 937 rods from corner to a stone bound about one foot high and shaped like the back of a hog, located on the west bank of the Suncook River, so called, about 10 feet from high water, and at the southerly end of a rather steep river bank, northeast of Cox's Pond.

14. Thence, to the center of said river.

15. Thence, southwesterly, following down the center of said river about 700 rods to a large flat stone marked with an X at the northerly corner of Epsom on the Chichester Line.

All marks were renewed with red paint.

REPORT OF THE TRUSTEES OF CARPENTER MEMORIAL LIBRARY

1960

Adding of new equipment has continued during the past year. The activity of the library has increased, both from adults and from students.

The library has taken advantage of the service made available by the State Library in the form of the Bookmobile. During each visit of the Bookmobile, a large selection of books is made in all fields and thus enlarges the offering of our library. Any books which are desired may be ordered from the State Library so that borrowers are able to have all their book needs filled.

The activity of the Jenkins Memorial Room has continued and increased during the course of the year. We are looking forward to a marked increase in activity during the coming year.

New books have been added to the library . . . some purchased by the library during the year . . . some given to the library by friends of the library.

Circulation report for the year is as follows:

Adult Books	6,275
Juvenile Books	4,569
New Books	335
Registrations	376

Immunization Clinics:

Number held	3
Total Attendance	91

Polio Clinics:

Number held	3
Total Attendance	88

Very truly yours,

GERTRUDE J. SNOW
Public Health Nurse
Bureau of Public Health Nursing
N. H. State Department of Health

ROSTER OF PITTSFIELD FIRE DEPARTMENT

Chief, CLARENCE E. ROBIE

Assistant Chief, EDWARD GENEST

Assistant Chief, BRUCE ADAMS

Supt. of Fire Alarm, WALTER HALL

Company No. 3

Carl Howe, Capt.	Arthur Constant
Charles Elkins, 1st Lieut.	Paul Riel
Clifton Barton, 2nd Lieut.	Jacques Nerbonne
George Rogers, Clerk	Frederick Hast
Doria Drolet	Roland Blake
Reuben Leavitt	Donald Raney
Harry Wicks	

Company No. 4

Clifton Richardson, Capt.	Donald Farnham
Felix Jenisch, 1st Lieut.	Herbert Emerson
Stevens Davis, 2nd Lieut.	Edgar Riel
Charles Adams, Clerk	Frank Leavitt
Harry Ordway	Vernon Lawton
George Reed	Willard Bishop
Archie Rogers	Rodney Boyd

Fire Department Equipment

- 2 — 500 Gal. Pumps
- 1 — 1000 Gal. Tank Truck
- (3 trucks radio equipped)
- 1 — Forest Fire Truck
- 1 — 12 foot Rescue Boat with Trailer
- 2 — Scott Air Packs
- 1 — Ressuscitator
- 1 — 1000 Watt Lighting System
- 1 — Base Station Radio
- 3 — Morrow Radio-phones
- 1 — Rescue Truck

FIRE AND POLICE SIGNAL REPORT

There were a total of 42 alarms over the fire alarm system this year, including 3 false and 9 still alarms.

The police signal gave no trouble.

New pole cross arms have been purchased as they will have to be replaced as well as new wire, in the near future.

Through Civil Defense we have added a rescue truck to our equipment. This was painted white and lettered at a small cost. An ambulance bed was donated for this vehicle which also carries lights, light generator, rope first aid kit and resuscitator.

The fire station was shingled last fall.

During the summer evenings, No. 3 and No. 4 companies practiced pump operations, laying of hose, use of fog nozzles and ladder work.

Recommendations

The fire station should be painted.

A new fire station should be given thought as many of you know the present one is too small. The forest fire truck, boat and trailer, and rescue truck cannot be housed in the fire station.

Respectfully submitted,

CLARENCE E. ROBIE
Chief of Fire Department

WALTER HALL
Supt. of Fire Alarm System

REPORT OF FOREST FIRE WARDEN

Prevention Is Your Business

Carelessness, HUMAN CARELESSNESS, causes 9 out of 10 forest fires. Each year 200,000 fires burn over 30 million acres in the United States. This represents 5 percent of our nation's woodlands being wasted each year. Every fire takes its toll. Floods follow; stream flow is affected; timber, buildings, grazing and wild-life are destroyed—all because MANY are CARELESS with fire in and near woodland. This can be remedied. YOU can put an end to this shameful waste! PREVENTION is YOUR business!

YOU, whether YOU be a farmer, homemaker, business or professional man or woman, municipal, state or federal official, clerk or woodsman, can play an important part in the continuing and vital prevention program.

First — by setting a good example YOURSELF — being sensible and complying with the necessary laws and regulations governing the use of fire in and near woodlands.

Second — by using YOUR individual influence in your community and valued council with others in insisting and encouraging them to do likewise.

The following simple rules may be used as a guide both for YOU and for them.

1. Before burning, secure a permit from your local forest fire warden — the law requires it.
2. Be sure to properly supervise your burning— don't leave it.
3. Make certain your fire, camp or debris, is DEAD OUT before leaving it.
4. Don't throw down lighted matches, cigars and cigarettes or from moving vehicles — make sure they are out — use your ashtray.
5. Don't burn at home — use your town dump and save yourself much possible difficulty, both personal and financial.

Number of local fires	1
Number of acres burned	$\frac{1}{4}$
Number of permits issued	93

THOMAS J. KING
District Chief

GEORGE A. REED
Forest Fire Warden

JEAN M. WHITING

Asst. to Superintendent

WILLIAM C. HOBBS

(b) SUPERINTENDENT'S REPORT

To the Pittsfield School Board and to the Citizens of the Pittsfield School District: I respectfully submit my fourth report as your Superintendent of Schools.

Enrollment and Space Needs

The School year 1960-1961 opened with an enrollment of 593 pupils, which is eleven less than was depicted in the Enrollment Projection Chart published in the 1958 School District Report. We had twenty-one fewer secondary students and ten more elementary pupils.

Next year we anticipate a total enrollment of 699 pupils divided as follows:

Memorial School	130 pupils
Grammar School	157 pupils
High School	412 pupils

This larger enrollment will require unusually large divisions in the first and second grades. It would be desirable to have three divisions in each grade if space and finances would allow. The Grammar School enrollment is not excessive, but the High School situation will definitely be very crowded. In my best judgement, we will be placing over 400 youngsters in a plant that by design is adequate for approximately 350 pupils.

I believe that I have a responsibility to call attention to this space problem again in this report. The community of Pittsfield does have financial problems in terms of its ability to pay, but it does also have youngsters who need a quality education, not only for themselves, but for the future of the Town and the State and the Nation.

In my opinion, between 4000 and 5000 square feet of additional space should be provided as early as possible and the total cost should range between 60,000.00 and 75,000.00 dollars.

Should A Cooperative School District Be Formed?

A Study Committee was formed to investigate the possibilities of Barnstead, Chichester, Epsom and Pittsfield forming a cooperative school district. School board members and other interested citizens studied the problems which each separate district is facing and considered the advantages and disad-

vantages of working together to solve their similar problems.

The Committee as a whole has met many times and several sub groups were formed to study specific aspects of the problem with each group reporting back to the entire Committee.

Epsom chose not to continue with the study after conducting a hearing. The citizens of Epsom strongly favored sending secondary students to Pembroke Academy on a tuition basis. Hearings were also held in Barnstead, Chichester and Pittsfield and in each instance those present at the hearings expressed the desire to have the study continued.

It seems certain that the formation of a cooperative would make possible a better quality of education and that such better quality could be provided more economically than if each district were to provide the same quality under separate school district organization. However, it must be reported that such quality could not be provided without each district's proportionate share exceeding present spending for the type of educational opportunity currently being provided.

The additional costs would not seem unreasonable except that already the spending in each community has fixed tax rates at an all-time high.

It seems apparent that the formation of a cooperative school district would be educationally sound, but that some funds other than those from local tax sources may need to be provided before voters lend their support to a cooperative school district plan.

The study continues with a splinter group working to develop a report which can be distributed to interested citizens in each of the participating towns. I encourage citizens to give attention to the report when it becomes available.

Staff

All the teachers at the Memorial and Grammar School returned for the 1960-1961 school year. Such retention of staff contributes to the effectiveness of instruction because teaching is a "team effort" as much as it is individual performance.

Of the eighteen members of the High School Staff all but four returned. Mr. Richard Bastraw and Mrs.

Janet Tibbetts resigned from the Junior High area and were replaced by Mrs. Doris Burns and Mrs. Catherine Petelle. Mr. Dieudonne Daubney accepted a position in New York state and was replaced by Mr. Conrad Pratt. Mr. Eugene Savage accepted a Guidance position in Somersworth, N. H., and was replaced by Mr. Edwin Horne.

Mr. Andre Dorais became a staff member during the 1960-1961 school year replacing Mrs. Margaret Flanagan whose resignation was accepted by the Board. Also Mrs. Catherine Petelle resigned and was replaced by Mr. Burton Hinckley.

Quality education depends on many factors, but skilled teachers are the most basic requirement. Often budget cuts are made in the area of teacher's salaries and it is this instructional cost which has the greatest effect on the quality of education being provided.

School Plant

Each summer many repairs are made to our four school buildings. In terms of replacement costs and using construction cost indices, our buildings have been valued as follows:

Grammar School	\$129,000.00
Memorial School	89,000.00
High School	317,000.00
Industrial Arts Building	39,000.00
<hr/>	
Total	\$574,000.00

Our custodians, namely: Mr. Irving Ames, Mr. Arthur Melvin and Mr. Elmer Berry are not just custodians in the usual meaning of the term, but serve as bus drivers and do much of the repair work. For example, pupil desk and chair units at the Memorial School are being modernized and painted at a considerable saving to the School District. Our Custodians are conscientious and competent.

Financial

Pittsfield's tax effort is greater than other towns within this Union and it is not something which can be disregarded. Next year's School Board Budget does not project a greater assessment. The total appropriation was up and there will be more pupils to justify this increase. The pupil increase will pro-

vide more tuition income with a net result that next year's assessment could be less than it was for the current school year.

In school business, as in all endeavors, there is room for improvement. I welcome suggestions and pledge my best efforts to maintain and strengthen public education in Pittsfield.

I sincerely appreciate the cooperation extended me by the Pittsfield School Board, Principals Lojko Sherburne and Ames, other School Personnel, and the citizens of Pittsfield.

Respectfully submitted,

JASON E. BOYNTON

Superintendent of Schools

CERTIFICATES

To the Board of Selectmen:

I certify that the above is a correct statement of the obligations authorized, and the amounts to be assessed to meet statutory requirements and appropriations made at the annual meeting of the Pittsfield School District held March 3, 1960.

BETTY A. BURBANK
Clerk of the School District

To the State Department of Education:

I certify that the above is a correct statement of the financial proceedings of the district for the school year 1960-1961, and that copies of this statement have been filed with the chairman of the board of selectmen and entered in the records of the school board in accordance with N. H. Revised Statutes Annotated, Chapter 197, Section 20.

June 20, 1960. MARY D. OSGOOD
Chairman of the School Board

IV. Auxiliary Activities and Special Reports

REPORT OF HIGH SCHOOL PRINCIPAL

To the School Board Members, Superintendent of Schools, and citizens of Pittsfield: It is with pleasure that I submit this, my annual report, to you.
annual report, to you.

It should be pleasing to the citizens of Pittsfield to hear that good progress has been made in our school. This is not the statement of an individual but a conclusion that can safely be made from many sources. Evidence of our achievements can also be seen in the honors that have been bestowed upon our pupils and school.

The visiting and evaluating committee that came in May under the direction of the New England Colleges and Secondary Schools Association, found our school desirable for continued membership in that accrediting association. Many fine commendations came about as a result of this visit. Pittsfield was commended for the interest and effort expended by the staff and administration in continually improving the curriculum offerings, rather than being satisfied with the existing program. It is the staff's intent to give the pupils in Pittsfield the best education possible as far as their effort will permit.

We can see the results of the staff's efforts when we consider some of the schools achievements in the past year. For the first time we have had a scholar attend the St. Paul Summer School program for the academically talented pupils. Pittsfield ranked second in the New Hampshire State Science Fair, outranked only by Keene High School. The projects submitted by our school took first award in Biology and a third award in Physics.

Our Industrial Arts boys took a large share of the awards at the State Exhibition. One of the entries received an honorable mention at the Ford Industrial Arts Exhibit in Michigan during the summer. We have had winners in the French Contest, Typing Contest, Homemaking and citations in the National Merit Competition.

Our athletic program has also enjoyed some measure of success. In the past two seasons our soccer teams have been in the state tournament, and

our basketball and baseball teams have won more games than in any previous season. Last year we also conducted a very spectacular gym demonstration under the direction of Mr. Daubney. The demonstration was indicative of the large variety of activity in our physical education classes.

I believe it is safe to say that the entire level of performance has improved in our school. This may be substantiated by a recent report released by the State Department of Education which shows the Pittsfield High School Class of 1962 ranking fifth in seventy-seven New Hampshire public schools, according to average total scores obtained on the School and College Ability Tests taken during the spring of 1960.

Our students have been looking more to post-secondary school education after graduation. Forty-seven percent of last year graduating class have entered some other school and are now continuing their education.

Progress has been made and much more remains to be done. Increased enrollment has caused scheduling difficulties. Some classes are presently being taught under very difficult conditions. Education and educational methods are moving so rapidly that it becomes demanding to keep up with the new materials and equipment to do the work that is expected. The educational program in our community will be only as good as what we would want for our children and are willing to support. Backward nations are now becoming great powers as a result continue to be great only if we support the system of strong educational programs. We Americans can and programs that put us in our present position. The Superintendent of Schools has asked that this report include a word picture of at least one aspect of our educational program with which the citizen should be acquainted. This year we have asked Mr. Cilley to present his program in Industrial Arts. His presentation follows:

Industrial Arts

Industrial Arts is often thought of as Manual Training, Manual Arts, Shop, a place where boys "make things" or a place to make simple "things"

of wood. In many instances the preceding description is true.

Industrial Arts in Pittsfield High School is much more than this. It is a laboratory where boys have the opportunity to work with and to develop and understand the tools and materials used by our major industries. While he is using these tools and materials he is encouraged to develop desirable work habits and attitudes. He also learns how to take proper care of tools and machines, how to work with others, how to follow directions, and most important of all, how to think for himself. This broad experience may help the student to find an area of interest that may lead to more technical training, to work for which he is suited, or to a profitable hobby. Also, not to be forgotten, he will become a consumer who will be able to recognize and to appreciate quality merchandise.

The areas of work represented in our Industrial Arts Laboratory are: metal working, woodworking, drafting, design, and screen process printing.

A brief description of each area follows:

Metalworking, — Work units in wrought iron, metal spinning, forging, gas welding, sheet metal, and engine lathe.

Woodworking — The use of hand tools for the beginning student and machine tools for the more advanced student.

Drafting — Consists of mechanical drawings, layout drawings, pictorial drawings, architectural drawing and blueprint making.

Design — A new unit added this year, involves a series of problem solving experiences which include (a) discussions of modern design practices, (b) a selection of a problem to design, (c) determining the limitations, (d) freehand idea sketching, (e) detailed sketches, including dimensions and materials, (f) the making of a working drawing and, if necessary, to blueprint the drawing, (g) construction of a scale model to test ideas, (k) construction of the final project. Once the original design problem has been completed, the project is graded for construction and for design.

Screen Process Printing — The process of forcing paint through a stencil which is attached to a piece

of silk on a wooden frame. Prints of one to ten colors are made by the students on program covers, note paper, stationery and pictures.

The students are given a great deal of individual attention and are required to work in all areas after which they may pursue the area which they find most interesting.

Safety is stressed, lessons presented, written work required and high quality motion pictures presented to show firsthand the operations of our major industries.

Planning for the future is a constant study. Planned additions of house wiring, electronics, and plastics are hoped for in the near future. It is expected that the present course and the planned additions will give the student a broad background upon which he may plan and build his future in this ever-changing world of ours.

I should like to thank the entire staff for their efforts in promoting Pittsfield High School to the fine position it now holds, and to the School Board and Superintendent for their tireless effort and help when they are called upon. I do appreciate the trust that the citizens have put into their school and the help from the numerous friends who work without recognition for a good school program.

Respectfully submitted,

WALDREN P. LOJKO,
Principal

(B.) Report of Grammar School Principal

In my report this year I choose to write about our testing.

During each year each child is given an Iowa Basic Skills Test which helps to measure his growth from year to year. This also is a means for learning how our school compares with other schools. We find that each grade is several points above the average norm for the rest of the country.

California Mental Maturity Tests are given in Grade One and every odd year thereafter.

By studying these tests we are able to discover if each child is working to capacity.

These two tests are compared for each child, helping him to find his weaknesses as well as his strong points.

Thus we have more aids in fitting our instruction to the needs of the individual pupil.

Respectfully submitted,

RACHEL A. SHERBURNE
Principal

(C.) Report of Memorial School Principal

Having the same faculty for the past five years has really paid off in enabling us to work as a team. Both first grades are covering the same basic skills and this is true of the second grades with a close correlation between the achievement in the two grade levels. We stress phonetic word-power with enrichment of the curriculum in addition to the the "three R's."

Our work is carried on with the firm conviction that a great deal of guidance begins in the first years of formal public education in such areas as developing the ability to listen, to follow directions, to work independently and to have pride in a job well done. Each child is an individual and we try to treat him as such, in so far as it seems possible.

Respectfully submitted,

HARRIET AMES
Principal

(D.) Report of the School Nurse**School Health**

Number of visits to school	961
Number of children given physical exam.	567
Number of children excluded from school	10
Number of children accompanied to Oculist, etc.	4
Number of children treated in school	226
Number of children attending immunization clinic	60
Number of children attending polio clinic	87
Number of children attending dental clinic	24
Number of home visits	66
Time given to school work (half days)	136

	No Affected	Corrected
--	-------------	-----------

Defective teeth		
temporary	20	
permanent	191	
Defective vision	211	356
Defective hearing	24	56
Enlarged tonsils	5	5
Posture	35	4
Nail Biting	15	6
	72	30

Cases of Communicable Diseases

Whooping Cough	1	Chicken Pox	3
Mumps	1	Measles	1
Pediculosis	2	Impetigo	2
Scarlet Fever	1		

The general condition of health among the school children seems to be very good and we believe that the Hot Lunches and Physical Education are a very great help. We are glad of the prospects of more dental work being done with our two dentists, and we do appreciate the help given us for dental work through the State and local organizations.

I do want to express my appreciation to all who are responsible for my increase in salary and for the new arrangements in the school work this year.

We wish to thank the parents, teachers, and school officials for their kind co-operation with the School Health Program.

Respectfully submitted,

DORIS H. DROLET, R.N.
School Nurse

(e) PITTSFIELD PLAYGROUND REPORT

The Indian League enjoyed another successful season in 1960. Pittsfield Mohawks, coached by George Liouzis, Dr. Carpenter, and Ken Collins, won 10, lost 4; Chichester Comanches, coached by Percy Batchelder, Alvin Towle, Frank Hatch, and Erwin Call, won 9, lost 5; Northwood Navajos, coached by Bill Johnson and Scott Nault, won 1, lost 11. The playoffs resulted in a tie between Pittsfield and Chichester.

The All Star League was formed for the younger and less experienced boys. The Redbirds with Coach Brian Keating captured first place. Other coaches and teams included Wayne Ripley's White Fangs, Bobby Watkins and the Orangades, and Tommy Plante with the Greyhounds.

Among the various activities sponsored by the playground were Doll Day, Pet Day, and several tournaments in golf, tennis, peggy ball, checkers, homerun hitting, etc. A girls' softball team was organized by Assistant Supervisor Jean Genest.

Mr. Thomas McKoan generously supplied benefit movie tickets for the Mohawk to sell, and proceeds from the movie combined with donations from the Lions, Women's Club, and Women of the Rotary, enabled the team to attend a major league baseball game in Boston.

Another Mohawk outing included a picnic given by parents at the cottage of Mr. and Mrs. Sidney Doughty on Jenness Pond.

A banquet served by the Golden Rule Circle brought the season to a close. One of the highlights of the evening was a speech by Rev. Richard Wry on the qualities of sportmanship both on and off the baseball diamond. Mr. Sidney Robinson donated certificates to the team, and Mr. Walter B. Wells of Barnstead, provided numerous awards for the occasion.

I would like to extend my sincere thanks to the citizens of Pittsfield and surrounding communities for their generous help and loyal support, to the parents who were the "backbone" of success, and to the wonderful youth of our town for making 1960 a successful summer.

Respectfully submitted,
GEORGE LIOUZIS
Playground Supervisor

SCHOOL DAYS EACH MONTH

September	18	February	15
October	20	March	21½
November	20	April	16
December	16	May	22
January	22 (1962)	June	12½

TOTAL DAYS 183

This calendar has been designed to comply with RSA 189:1 as amended by the 1959 General Court and the Statement of Policy approved by the State Board of Education in March of 1960. Teachers attendance at the State Teachers' Convention will not count as a school day.

This calendar is subject to changes authorized by the School Board, State of New Hampshire education authorities, or when school is called off because of dangerous storms and emergencies. The minimum legal requirement of 180 days might necessitate continuing beyond June 19 if more than three school days are lost.

TENTATIVE SCHOOL DISTRICT WARRANT**Supervisory School Union No. 49****The State of New Hampshire**

To the Inhabitants of the School district in the town of Pittsfield qualified to vote in district affairs:

You are hereby notified to meet at the Greenleaf Auditorium in said district on the ninth day of March, 1961, at seven o'clock in the evening to act upon the following subjects:

(Polls for the election of officers to be opened not later than 7 p.m. and closed not earlier than 8 p.m.)

1. To choose by ballot a Moderator for the coming year, a Clerk for the ensuing year, a Member of the School Board for the ensuing three years, a Treasurer for the ensuing year, and Auditors for the ensuing year.

2. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.

3. To choose Agents and Committees in relation to any subject embraced in this warrant.

4. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

5. To see if the voters will raise and appropriate the sum of \$1,200 to obtain preliminary plans and cost estimates for additional classrooms and and authorize the Sschool Board to employ an architect for this purpose.

6. To transact any other business which may legally come before said meeting.

Given under our hands at said Pittsfield this 14th day of February, 1961.

MARY OSGOOD, Chairman
CRISWELL SMITH
BETTY BURBANK
School Board
